

CALL FOR FELLOWSHIPS

We invite applications for fellowships for the Academic Year 2024-2025. Under the banner of future-oriented humanities, our programs are structured around three interconnected themes: *The Human Condition in the 21st Century*, *The Future of Democracy*, and *Socio-economic Transformation*. We invite individuals to apply with concrete projects related to these themes. For examples of our programs in 2023/2024 see <https://thenew.institute/en/programs>.

We are looking for scholars and practitioners from various fields who will have made outstanding, innovative contributions to the project with which they apply.

Fellows stay for one, two, or three terms.

ABOUT THE NEW INSTITUTE

On the basis of humanistic and social-scientific reflection on human becoming in the 21st century, THE NEW INSTITUTE develops concrete visions of future socio-economic and political realities. We gather thinkers and practitioners with interdisciplinary and intercultural backgrounds in academia, politics, business, media, the arts, and technology around concrete projects that effect positive social change under conditions of social complexity.

THE NEW INSTITUTE promotes progressive modes of knowledge-production and insight generation. This requires integrated interdisciplinary and trans-sectoral cooperation between academics and practitioners.

FACTS & FIGURES
